

CELEBRATING OUR 70TH ANNIVERSARY

It was 70 years ago that David Grant and Albert Herrmann established the law firm Grant & Herrmann in a small office on Wall Street. The primary focus of the firm was advising U.S. companies doing business in Latin America. The firm's largest client, a major U.S. airline, had a direct telephone line to David Grant's desk.

Much has changed over the past 70 years. Today, Grant, Herrmann, Schwartz & Klinger is a premier boutique law firm made up of six partners, seven associates and an administrative staff of nearly thirty individuals dedicated to providing excellent service to our diverse client base. While we still represent U.S. companies doing business in Latin America, our practice is now largely focused on serving the legal needs of domestic and international private clients. Our team advises clients on a broad range of legal and tax matters, including estate planning, inbound real estate investment, tax compliance and the purchase and sale of private aircraft.

Through it all, we've maintained a loyal client base. In some cases, we've worked with families over four generations, celebrating family milestones with them along the way. As other law firms focus solely on growth, we have chosen to remain a boutique firm, enabling us to provide the personalized service our clients have come to expect. In the process we have expanded in a measured way, promoting attorneys and staff who we know will continue to provide our clients with the same high level of discreet and personal service.

We do not know how the world may change over the next 70 years. If the last 70 are any indication, however, our clients will remain in good hands. Whatever opportunities and challenges may arise, we remain committed to helping guide our clients.

As we celebrate this milestone, we send our sincerest thanks and best wishes to our loyal clients, colleagues and partners who have made the Grant, Herrmann, Schwartz & Klinger family what it is today. Here's to the next 70 years!
